

Apartment 8 Park Place, St. Helier Jersey JE2 4LU

Apt488. Qualified. Flying Freehold.

*** NEWSFLASH , LAST FEW REMAINING*** Park Place is now available with one rented parking space per remaining apartment paid for by the developer for 5 years!! This, in conjunction with a further offer to cover the stamp duty and legal fees (Up to a maximum of £10,000) makes these apartments an incredible opportunity to get on the property ladder.

Red Properties are thrilled to introduce yet another quality development providing much needed housing stock to the local market. Park Place, the latest development from the superb Style Homes, is situated on a quiet yet central lane in the heart of St Helier within easy walking distance of all town amenities and located within the 'North of St Helier Masterplan' designed to regenerate and reinvigorate the local area. With only 8, high specification apartments within the development including a mix of 1 and 2 bedroom spacious and modern homes some with private patios and terraces with all benefitting from 2 secure bike storage spaces. These perfect first homes or residential investment properties have just been completed with apartments available for inspection by private appointment. Sensibly priced to sell, don't delay! Apartment 8 is a second floor penthouse, 2 bedroom, 1 bathroom apartment measuring 74.1 sq m and benefits from a large, decked terrace. What 3 words location - metro.stags.most. Further information also available on <https://www.style.je/homes/park-place/>
