Sid Ibrahim

Lettings Director

Who I am

I was born in London many years ago. I am married and have one son and currently live in Northampton. I have studied Taekwondo and have qualified to 2nd Degree Black Belt. During my studies in martial arts I have won national titles in sparring. My other interests are watching my son play rugby for Old Northamptonians First XV and going to the gym.

I am a follower of the beautiful game, supporting Arsenal which is not difficult in the hawksbys environment with half the team being Gooners!

Experience

After leaving school I joined the British Army (Infantry) in 1978 at the age of 17. I finally left the Army in September 2000 after experiencing many new countries and situations as a Warrant Officer Class 2. One of my first jobs in my new life was working for a recruitment company sourcing accommodation for new workers. My first foray in Estate Agency was with 'Martin Pendered' Estate Agency as their lettings manager in 2000. From there I moved to Rushden to work for 'Coley Thomson' and in 2002 I moved back to Wellingborough to work with 'Martin Hawksby' The Right Estate agent. In 2004 Martin & I set up 'Martin Hawksby Letting Agents'.

Time flies, as I have now spent 15 or so years, working in an estate agency environment in Wellingborough. Lettings is a challenging business and I believe my Army mentality helps to make sure we get things done!

Education

I am educated to 'O' level standard and have senior Army education qualifications.

My Role

As the Lettings Director I have a full hands on involvement with the day to day running of the business. I deal with all issues from a leak to a non-payment of rent. I ensure that all issues are dealt with promptly and in the correct manner including the regular inspections of properties. I will ensure that the right tenant is found from our own interviews and reference checks. I am here to ensure that your property is let to the best tenant that we can find and for the best rental price.
